

## Assignment #7 – Soldering Basics

### Option 1: Through-Hole Soldering Practice Kit (10 points)

The following must be included to receive full points:

- An image of the **Fully Assembled** THT soldering practice kit in your PDF submission

### Option 2: Surface Mount Soldering Practice Kit (10 points)

The following must be included to receive full points:

- An image of the **Mostly Assembled** (>50%) SMD soldering practice kit in your PDF submission

**\*Both Options can be completed to receive 100% extra credit (score of 20/10)**

### Late Submission Policy:

- All work submitted after the specified date and time deadline will receive a **30% deduction** penalty. An additional 30% deduction will also occur for **every class period that occurs** after the assignment deadline if the late assignment has not yet been submitted.
